

PROGRAMME

 10.00 - 10.10 Opening the Conference - Greetings by representative of Hellenic Open University 10.10 - 10.30 Introduction to DELTA project Dr. Achilles Kameas, Professor at School of Science and Technology, Scientific Coordinator of DELT Director of DAISSy research group - Hellenic Open University 10.30 - 10.50 Digital excavation course and DELTA platform Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy research Hellenic Open University & PhD student, University of Patras 10.50 - 11.10 Digital Tools for Archeological Practice - Excavation Dr. Peter Tóth, Assistant Professor of Prehistoric Archaeology, Department of Archaeology and N Masaryk University 11.10 - 11.30 Documentation in situ and after excavation Dr. Yiannis Papadatos, Associate Professor of Prehistoric Archaeology, Department of History and Archaeologist and Kapodistrian University of Athens 11.30 - 11.50 Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 - 12.10 Open - air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist - Museologist MSc., Senior Researcher in DAISSy research Hellenic Open University & PhD student, University of Patras 12.10 - 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Att 12.30 - 12.45 Q&A	th group - Iuseology, thaeology, roject European aeological
Dr. Achilles Kameas, Professor at School of Science and Technology, Scientific Coordinator of DELT Director of DAISSy research group - Hellenic Open University 10.30 – 10.50 Digital excavation course and DELTA platform Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy research Hellenic Open University & PhD student, University of Patras 10.50 – 11.10 Digital Tools for Archeological Practice - Excavation Dr. Peter Tóth, Assistant Professor of Prehistoric Archaeology, Department of Archaeology and N Masaryk University 11.10 – 11.30 Documentation in situ and after excavation Dr. Yiannis Papadatos, Associate Professor of Prehistoric Archaeology, Department of History and Arc National and Kapodistrian University of Athens 11.30 – 11.50 Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 – 12.10 Open – air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy research Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Attl 12.30 – 12.45	th group - Iuseology, thaeology, roject European aeological
Director of DAISSy research group - Hellenic Open University10.30 - 10.50Digital excavation course and DELTA platform Panagiota Polymeropoulou, Archaeologist - Museologist MSc., Senior Researcher in DAISSy research Hellenic Open University & PhD student, University of Patras10.50 - 11.10Digital Tools for Archeological Practice - Excavation Dr. Peter Tóth, Assistant Professor of Prehistoric Archaeology, Department of Archaeology and N Masaryk University11.10 - 11.30Documentation in situ and after excavation Dr. Yiannis Papadatos, Associate Professor of Prehistoric Archaeology, Department of History and Arc National and Kapodistrian University of Athens11.30 - 11.50Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage11.50 - 12.10Open - air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist - Museologist MSc., Senior Researcher in DAISSy researc Hellenic Open University & PhD student, University of Patras12.10 - 12.30Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 - 12.45	th group - 1useology, thaeology, roject European aeological
10.30 - 10.50 Digital excavation course and DELTA platform Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researcher 10.50 - 11.10 Digital Tools for Archeological Practice - Excavation Dr. Peter Tóth, Assistant Professor of Prehistoric Archaeology, Department of Archaeology and N Masaryk University 11.10 - 11.30 Documentation in situ and after excavation Dr. Yiannis Papadatos, Associate Professor of Prehistoric Archaeology, Department of History and Archaeological and Kapodistrian University of Athens 11.30 - 11.50 Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 - 12.10 Open - air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researcher Hellenic Open University & PhD student, University of Patras 12.10 - 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Att 12.30 - 12.45 Q&A	luseology, haeology, roject European aeological
Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researcher 10.50 – 11.10 Digital Tools for Archeological Practice - Excavation Dr. Peter Tóth, Assistant Professor of Prehistoric Archaeology, Department of Archaeology and N Masaryk University 11.10 – 11.30 Documentation in situ and after excavation Dr. Yiannis Papadatos, Associate Professor of Prehistoric Archaeology, Department of History and Archaeological and Kapodistrian University of Athens 11.30 – 11.50 Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 – 12.10 Open – air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researcher Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Athenes	luseology, haeology, roject European aeological
Hellenic Open University & PhD student, University of Patras 10.50 - 11.10 Digital Tools for Archeological Practice - Excavation Dr. Peter Tóth, Assistant Professor of Prehistoric Archaeology, Department of Archaeology and N Masaryk University 11.10 - 11.30 Documentation in situ and after excavation Dr. Yiannis Papadatos, Associate Professor of Prehistoric Archaeology, Department of History and Archaeological and Kapodistrian University of Athens 11.30 - 11.50 Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 - 12.10 Open - air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy research Hellenic Open University & PhD student, University of Patras 12.10 - 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Atf 12.30 - 12.45	luseology, haeology, roject European aeological
 10.50 - 11.10 Digital Tools for Archeological Practice - Excavation Dr. Peter Tóth, Assistant Professor of Prehistoric Archaeology, Department of Archaeology and N Masaryk University 11.10 - 11.30 Documentation in situ and after excavation Dr. Yiannis Papadatos, Associate Professor of Prehistoric Archaeology, Department of History and Arc National and Kapodistrian University of Athens 11.30 - 11.50 Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 - 12.10 Open - air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy research Hellenic Open University & PhD student, University of Patras 12.10 - 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 - 12.45 Q&A 	haeology, roject European aeological
Dr. Peter Tóth, Assistant Professor of Prehistoric Archaeology, Department of Archaeology and N. Masaryk University 11.10 – 11.30 Documentation in situ and after excavation Dr. Yiannis Papadatos, Associate Professor of Prehistoric Archaeology, Department of History and Archaeological and Kapodistrian University of Athens 11.30 – 11.50 Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 – 12.10 Open – air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researches Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Att	haeology, roject European aeological
Masaryk University 11.10 – 11.30 Documentation in situ and after excavation Dr. Yiannis Papadatos, Associate Professor of Prehistoric Archaeology, Department of History and Archaeolarian and Kapodistrian University of Athens 11.30 – 11.50 Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 – 12.10 Open – air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy research Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 – 12.45	haeology, roject European aeological
11.10 - 11.30Documentation in situ and after excavation Dr. Yiannis Papadatos, Associate Professor of Prehistoric Archaeology, Department of History and Arc National and Kapodistrian University of Athens11.30 - 11.50Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage11.50 - 12.10Open - air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist - Museologist MSc., Senior Researcher in DAISSy research Hellenic Open University & PhD student, University of Patras12.10 - 12.30Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 - 12.45	roject European aeological
Dr. Yiannis Papadatos, Associate Professor of Prehistoric Archaeology, Department of History and Archaeological and Kapodistrian University of Athens11.30 – 11.50Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage11.50 – 12.10Open – air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researcher Hellenic Open University & PhD student, University of Patras12.10 – 12.30Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 – 12.45	roject European aeological
 National and Kapodistrian University of Athens 11.30 – 11.50 Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 – 12.10 Open – air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy research Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 – 12.45 	roject European aeological
11.30 – 11.50 Digital tools for enhancement and enjoyment of archaeological heritage. The experience of DELTA P Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 – 12.10 Open – air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researcher Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath	European aeological
Dr. Francesca Sogliani, Associate Professor of Christian and Medieval Archaeology, Department of and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 – 12.10 Open – air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researcher Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 – 12.45 Q&A	European aeological
and Mediterranean Cultures DICEM, University of Basilicata. Head of Post-graduate School of Arch Heritage 11.50 – 12.10 Open – air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researcher Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 – 12.45 Q&A	aeological
Heritage 11.50 – 12.10 Open – air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researcher Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 – 12.45 Q&A	
11.50 – 12.10 Open – air Museums and Experimental Archaeology Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researcher Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 – 12.45 Q&A	h group -
Panagiota Polymeropoulou, Archaeologist – Museologist MSc., Senior Researcher in DAISSy researcher Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 – 12.45 Q&A	:h group -
Hellenic Open University & PhD student, University of Patras 12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Ath 12.30 – 12.45 Q&A	:h group -
12.10 – 12.30 Evaluating the DELTA courses Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Atl 12.30 – 12.45 Q&A	
Antigoni Kalara, PhD candidate of Prehistoric Archaeology, National and Kapodistrian University of Atl 12.30 – 12.45 Q&A	
12.30 – 12.45 Q&A	
	iens
DELTA ISP experience from Greece. Czech Republic, Italy	
Destrior experience from directly decen republic, italy	
12.45 - 13.00 Helen Gourgouleti, George Tasopoulos, George Ntzoufras, Undergraduate students of Ard	haeology,
Department of History and Archaeology, National and Kapodistrian University of Athens	
13.00 – 13.15 Filip Ševčík, David Vaněček, Georgios Nestoras Avarkiotis, Master students of Archaeology, Depa	rtment of
Archaeology and Museology, Masaryk University	
13.15 – 13.30 Mariangela Maura, Undergraduate student of Archaeology, Department of European and Med	terranean
Cultures - DICEM, University of Basilicata (video)	
13.30 – 14.00 Break for light lunch	
14.00 – 14.15 myELeusis: unveil the secrets of ancient Eleusis with leading-edge technologies	
Dr. Despoina Tsiafaki, Research Director & Head of Culture and Creative Industries Departmer	t, Athena
Research Center	
14.15 – 14.30 ArchaeoCosmos: Historical Geography of the Mediterranean and the Near East from Prehistor	y to Late
Antiquity	
Dr. Dimitrios Plantzos, Professor of Classical Archaeology, National and Kapodistrian University of Ath	ens
Dr. Konstantinos Kopanias, Associate Professor, Department of History and Archaeology, N	ational &
Kapodistrian University of Athens	
14.30 – 14.45 Digital skills for archaeologists. The Italian paradigm.	
Dr. Dimitris Roubis, Researcher archaeologist of Istituto di Scienze del Patrimonio Culturale del	Consiglio
Nazionale delle Ricerche (ISPC-CNR) - Adjunct Professor, University of Basilicata	
14.45 – 15.00 Digital archaeology at early medieval site in Pohansko, Czech Republic	
Dr. Petr Dresler, Assistant Professor in Archaeology, Masaryk University	
15.00 – 15.15 SITAR: an open data platform for digital archaeology of Rome. From data collecting toward	ls shared
knowledge	
Mirella Serlorenzi, Ministero della Cultura - Soprindenza Speciale di Roma Archaeologia Belle Arti e Pa	esaggio
Dr. Ascanio D'Andrea, Archaeositarproject	
Riccardo Montalbano, Archaeositarproject	
15.15 - 15.30 Digital Archaeology and Artificial Intelligence. The ArchAIDE perspective	
Dr. Gabriele Gattiglia, Associate Professor, University of Pisa. Leader of MAPPA Lab.	
15.30 – 15.45 Consideration of longevity – archiving of archaeological data (video)	
Dr. Hana Kubelková, Archaeologist, Masaryk University	
15.45 – 16.00 Q&A - End of Conference
